Summary of the program:

The NSS unit of Dr. SGIT, Markapur was organized a programme **An Awareness Program on Right to Vote and Right to Information** in Darimadugu village. The right to vote is the strongest tool or medium of raising one's voice in a democracy. The spirit of democracy is ensured by means of voting by the citizens of the country who participate in shaping the future of the country and thereby their own. The Constitution of India grants the right to vote to all of its citizens above the age of 18 years. The right to vote is considered to be among the very fundamental rights of any citizen. The constitution of India thereby provides the citizens with certain privileges that ensure the safety and security of their rights as a voter and thereby curb any misuse of their rights. The NSS volunteers, students and staff are actively participated in the program and made the event a grand success.

Name of the programme: Awareness programme on recycling plastic and its benefits

Date: 09-03-2020

Place: Darimadugu Village

Organized by: NSS unit, Dr. SGIT, Markapur

Summary of the programme: Recycling is the process of converting waste materials into new materials and objects. This concept often includes the recovery of energy from waste materials. The recyclability of a material depends on its ability to reacquire the properties it had in its original state. The NSS volunteers and students made a rally on the streets of the village and presented how plastic can be recycled.
