Internship Completion Certificate

This is to certify that *PILLABOENA DIVAKAR* has successfully completed the Embedded Systems course offered by SkillVertex beginning 22nd May 2023 & ending 17th June 2023, which covers the fundamental concepts and applications of embedded systems.

The course covered a wide range of topics, including microcontroller architecture, assembly language programming, interfacing techniques, real-time operating systems, and other related fields. *PILLABOENA DIVAKAR* has demonstrated a deep understanding of these concepts and has shown an ability to apply them to real-world problems.

During the course, *PILLABOENA DIVAKAR* actively participated in all learning activities, including lectures, discussions, assignments, and projects. [He/She] consistently demonstrated a high level of engagement and critical thinking skills, which resulted in [his/her] outstanding performance throughout the course.

As such, *PILLABOENA DIVAKAR* has met all the requirements of the Embedded Systems course and is hereby awarded this certificate of completion.

We wish *PILLABOENA DIVAKAR* all the best in [his/her] future endeavors and hope that the knowledge gained from this course will enable [him/her] to excel in the field of embedded systems.

INTERNSHIP CONFIRMATION LETTER

Dear Cheपुरi.Rajabaveswarachari

We refer to the above and are pleased to confirm that your application for the **Internship on Java Programming** with **Institution of Electronics & Telecommunication Engineers** has been accepted.

The Internship will commence on **24th May 2023** and will end on **24th June 2023**. This Internship will be monitored on a daily basis at the stipulated timings.

The following terms & conditions will govern your internship.

1. You will be assigned tasks in the domain pertaining to **Java Programming**
2. You shall be working with the installations & Programming during the initial phase
3. Project will be assigned and you will work on the deployment. This shall be made available during the last phase of your internship.

Ms.Nandhini, Pantech E Learning will be the mentor during your internship and will be training, assigning tasks and assignments. You shall directly report to him for any clarifications, guidance and changes that need to be incorporated to the tasks, if any.

This internship program is organised, mentored & certified by

Internship Completion Certificate

This is to certify that *PARISAPOGU AGNES* has successfully completed the Python course offered by SkillVertex beginning 22nd May 2023 & ending 17th June 2023, which covers the fundamental concepts and applications of Python programming language.

The course covered a wide range of topics, including data types, control structures, functions, modules, file handling, and other related fields. *PARISAPOGU AGNES* has demonstrated a deep understanding of these concepts and has shown an ability to apply them to real-world problems.

During the course, *PARISAPOGU AGNES* actively participated in all learning activities, including lectures, discussions, assignments, and projects. [He/She] consistently demonstrated a high level of engagement and critical thinking skills, which resulted in [his/her] outstanding performance throughout the course.

As such, *PARISAPOGU AGNES* has met all the requirements of the Python course and is hereby awarded this certificate of completion.

We wish *PARISAPOGU AGNES* all the best in [his/her] future endeavors and hope that the knowledge gained from this course will enable [him/her] to excel in the field of Python programming.
