## REPORT

**Name of the Programme** : A Seminar on Indian Scenario of IPR

**Date** : 27.06.2019

**Details of Resource Person** : Dr.K.V.S Narayana, Principal, Dr.SGIT, Markapur

### **Objectives of the Programme:**

- To give overview on IPR and its nature
- To provide knowledge on development of IPR in India
- To provide knowledge on Indian Regime and IPR

### **Programme outcome:**

A Seminar on Indian Scenario of IPR was conducted on 27.06.2019 by department of Mechanical Engineering, Dr. SGIT at seminar hall from 10.30 AM onwards. The resource person **Dr.K.V.S Narayana** was delivered a detailed lecture on the mentioned topic. He covered the topics such as introduction, history of IPR in India, overview of IP laws in India, Indian IPR, administrative machinery, major international treaties signed by India, procedure for submitting patent and enforcement of IPR at national level .The session was completed with good interaction between the resource person and the students.

#### ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

#### DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

#### ABOUT THE DEPARTMENT:

The department of Mechanical Engineering was established in the year 1997. The mechanical engineering department is one of the pioneer departments of Dr. SGIT. As on today 18 batches passed out with excellent academic performance. The department has excellent lab facilities with state of the art equipment and it has highly qualified, experienced and committed faculty members. The department takes active role in arranging expert lectures as well as industrial visits for benefit of the students. The department gives importance not only to academic education but also ethical values and personality development of students. National level student symposium is conducted in every year. Students are encouraged to take up industrial projects. More over the students will also be motivated to present papers in student seminars. Paper contests etc. The department is also actively involved in placement of the students through ON/OFF campus interviews. The department strives hard to impart quality education and to keep the students on the competitive edge of the present day technology.

#### ABOUT THE SEMINAR:

The tradition of scholarship and intellectual creativity in India goes back to a few millennia. Yet the concept of Intellectual Property Rights in the modern sense is rather new and would appear to have no cultural moorings or sanction in our country. The history of intellectual property rights in India backed by enforceable legal provisions scarcely goes back to 150 years. As a developing country, India has made significant strides in competing for Trade Related Intellectual Property Rights (TRIPS) agreements and compliance with US and European Intellectual Property Rights (IPR) structures.

The twenty-first century can be referred to as the century of technology, knowledge, and, in fact, the intellectual regime. The country's ability to translate knowledge into wealth-creating innovation will determine its future. Thus, innovation is thought to be the key to transforming knowledge into wealth. As a result, issues concerning the generation, evaluation, protection, and exploitation of intellectual property (IP) would become critically important all over the world.

#### TOPICS TO BE COVERED:

- Nature of IPR
- IPR components
- Development of IPR in INDIA
- Indian regime & IPR
- Legislative Developments in IPR
- Challenges in IPR

#### RESOURCE PERSONS:

**Dr.K.V.S. Narayana**

**Principal, SGIT, Markapur.**

#### REGISTRATION DETAILS:

- There is **no Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the respective HODS
- All the staff & IV B Tech students are requested to register the Certification program before two days by using Registration form.

#### DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

#### ABOUT THE DEPARTMENT:

Computer science and engineering department started in 1997. The CSE department is one of the pioneer department of Dr.SGIT, with present intake of B.Tech – 120 and M.Tech – 36. Computer science and engineering degree is exciting enough as it will open the doors to very cool jobs. It is truly amazing to catch the trend with SGIT. Because SGIT takes care to maximize the learning opportunities by keeping up-to-date. Department has well qualified, dedicated and motivated faculty and well equipped laboratories. The CSE department with its commitment excellence educates the engineers of tomorrow by integrating classroom theory and practical knowledge. The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce computer science & engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

#### ABOUT THE SEMINAR:

Innovation refers to introducing novelty in a product, service, strategy, or business model. Moreover, innovation also increases the usability and durability of the entity above. Sometimes, it is an idea, and sometimes, it is a concept that helps stay ahead of the competition and induces creativity and efficiency in businesses. With the rising competition, many entrepreneurs have started discussing innovation. But what is the meaning of innovation, and why is it important for entrepreneurs? So, innovation is basically the replacement or improvement of something. Innovation is the particular instrument of entrepreneurs with the help of which an individual exploits the changes as a chance for a different business.

An Innovative Entrepreneur is one who has the ability to tackle to produce innovative products to meet the market's demands and trends. Innovation in Entrepreneur plays a role in many ways.

#### TOPICS TO BE COVERED:

- Creative Development
- Persistent Improvement
- Reinforcing Your Brand
- Making the best of your existing products

### **Objective of the Programme:**

To generate employment and self-employment with the help of Entrepreneurship and the growth of small scale businesses

### **Programme outcome:**

A Seminar on Student entrepreneurs through innovation was conducted on 19.07.2019 by department of CSE, Dr.SGIT at seminar hall from 10.30 AM onwards. The resource person **Dr.A. Sai Hanuman** from GRIET was delivered a detailed lecture on the mentioned topic. According to him in the highly competitive world, innovative ideas are what will separate you from the rest. In order to create an outstanding product, strong brand and to build customer network, one need to innovate. He explained to the students that Innovation doesn't always mean to create something new, innovators often take something that already exists, improve it, change it, make it better and make it the best for their customers. Innovative ideas are what will make a startup competitive.

## CIRCULAR

All the B.Tech final year students of ECE department are here by informed to attend  
**A Seminar on Patent Information and Data Bases** By **Dr.M.Mastanaiah** Professor in  
Mechanical engineering in Dr.SGIT on 21.08.2019 at 10.30 AM in seminar hall. Hence, all the  
students must make note of it and attend to the seminar without fail.

#### ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

#### DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

#### ABOUT THE DEPARTMENT:

The Department currently runs UG & PG programs Electronics & Communications Engineering and Digital Electronics and Communications Engineering. The UG-ECE intake is 120 and PG-DECE intake is 36. The Department of ECE established state-of-the-art labs viz., Electronic Devices and Circuits, Pulse and Digital Circuits, Analog and Digital Communications, Microprocessors and Controllers, Microwave Engineering, VLSI and Digital Signal Processing etc. to suit the needs of the Students and the Faculty. The Labs are provided with Licensed Software's like MATLAB, CCStudio, Multisim, XILLINX, Mentor Graphics, etc.. A large number of activities are conducted regularly under these student forums. Guest lectures, Workshops, Hands on Sessions on latest tools are regularly held to help students to acquire new knowledge, deeper and clear understanding of major concepts and build the ability to apply in the relevant fields.

#### ABOUT THE SEMINAR:

A patent is an exclusive right granted for an invention, which is a product or a process that provides, in general, a new way of doing something, or offers a new technical solution to a problem. To get a patent, technical information about the invention must be disclosed to the public in a patent application.

Conducting a patent search can save you time and from investing unnecessary money into your invention by learning if it already exists or not. After a thorough patent search, you'll be able to determine if your patent will infringe on the rights of other patents or can invalidate a competing patent.

  
**PRINCIPAL**  
Dr. SAMUEL GEORGE INSTITUTE  
OF ENGINEERING & TECHNOLOGY  
MARKAPUR-523 316, Prakasam Dist.

The main purpose of this seminar was to create awareness on patent and patent database.

#### TOPICS TO BE COVERED:

- What is patent?
- What are Patent databases?
- Patent scope
- paid databases
- patent search

#### RESOURCE PERSONS:

**Dr. M. MASTANAIAH M. Tech, Ph.D**

Dean Academics & Head of the Department,

Dr. SGIT, Markapur

#### REGISTRATION DETAILS:

- There is **no Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the respective HODS
- All the staff & IV B Tech students are requested to register the Certification program before two days by using Registration form.

#### CONTACT DETAILS:

## REPORT

**Name of the Programme** : A Seminar on Patent Information and Data Bases

**Date** : 21.08.2019

**Resources person details** : Dr.M.MASTANAIAH. Professor, Dr.SGIT

### **Objective of the Programme:**

1. To understand the concept of patent information.
2. To understand how to strategically use patent information.
3. To understand where to obtain and how to search patent information.

### **Programme outcome:**

A Seminar on Patent Information and Data Bases was conducted on 21.08.2019 by department of ECE, Dr. SGIT in seminar hall from 10.30 AM onwards. The resource person Dr.M.MASTANAIAH was delivered a detailed lecture on the mentioned topic. He explained about the concept of patent information. By using patent information a company would become familiar with the technological developments in a particular field up to a particular date. This prevents them from wasting their limited resources on reinventing the wheel. At the same time, it enables the company to invest its resources on improving on the state of the art by developing a new or improved product or process. He also focused on patent databases. Session was gone in smooth manner with good interaction between students and resource person.

#### ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

#### DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

#### ABOUT THE DEPARTMENT:

Electrical & Electronics Engineering department started in 1997. The EEE department is one of the pioneer department of Dr.SGIT, with present intake of B.Tech – 60 and M.Tech – 24 and diploma - 60. Electrical & Electronics Engineering degree is exciting enough as it will open the doors to very cool jobs. It is truly amazing to catch the trend with SGIT. Because SGIT takes care to maximize the learning opportunities by keeping up-to-date. Department has well qualified, dedicated and motivated faculty and well equipped laboratories. The EEE department with its commitment excellence educates the engineers of tomorrow by integrating classroom theory and practical knowledge. The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce Electrical & Electronics Engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

#### ABOUT SEMINAR:

A research proposal is a concise and coherent summary of proposed research. It sets out the central issues that intend to address. It outlines the general area of study within which research falls, referring to the current state of knowledge and any recent debates on the topic. It also demonstrates the originality of your proposed research. The proposal is the most important document that you submit as part of the application process. It gives you an opportunity to demonstrate that you have the aptitude for graduate level research, for example, by demonstrating that you have the ability to communicate complex ideas clearly, concisely and critically. The proposal also helps us to match your research interest with an appropriate supervisor.

PRINCIPAL  
Dr. SAMUEL GEORGE INSTITUTE  
OF ENGINEERING & TECHNOLOGY  
MARKAPUR-523 316, Prakasam Dist.

Research funding is defined as a grant obtained for conducting scientific research generally through a competitive process. To apply for grants and securing research funding is an essential part of conducting research.

The seminar focused on proposal preparation in research and funding opportunities for research.

#### TOPICS TO BE COVERED:

- Proposal abstract
- Research Context
- Research Questions
- Research Methods
- Significance of Research
- Basic requirements for research funding
- Sources of research funding
- Application for research grant
- Budgeting for the research grant
- Completion of a research project

#### RESOURCE PERSON:

**Dr.G.Indira Kishore**  
**Professor, Gmr Institute Of Technology,**  
**Rajam.**

## REPORT

**Name of the Programme** : A Seminar on research methodology- proposal preparation  
and funding opportunities for research

**Date** : 14.09.2019

**Resources Person Details** : Dr. G. Indira Kishore, M.Tech, Phd.

Professor, GMR Institute of Technology, Rajam

### **Objective of the Programme:**

- To encourage the students towards research
- To provide a detailed plan that helps to keep researchers on track, making the process smooth, effective and manageable
- To provide knowledge on proposal preparation in research and funding opportunities in research.

### **Programme outcome:**

A Seminar on research methodology-proposal preparation and funding opportunities for research was conducted on 14.09.2019 by the department of EEE, Dr. SGIT at seminar hall from 10.30 AM onwards. The resource person **Dr.G.Indira Kishore** was delivered a detailed lecture on the mentioned topic. The lecture covered the topics such as significance of research, the basic research methodology procedure. The resource person also covered the funding opportunities available for researchers. Through this seminar students are motivated towards research and got knowledge on the mentioned topic. Faculty form the other department are also participated in this seminar. They also shared their experience in the research to students. Finally session was completed with good feedback.

#### DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

#### ABOUT THE DEPARTMENT:

Civil Engineering department started in 2010. The civil department is one of the pioneer department of Dr.SGIT, with present intake of B.Tech – 60 and diploma - 60. Civil Engineering degree is exciting enough as it will open the doors to very cool jobs. It is truly amazing to catch the trend with SGIT. Because SGIT takes care to maximize the learning opportunities by keeping up-to-date. Department has well qualified, dedicated and motivated faculty and well equipped laboratories. The civil department with its commitment excellence educates the engineers of tomorrow by integrating classroom theory and practical knowledge. The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce Civil Engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

#### ABOUT SEMINAR:

Women entrepreneurs are slowly becoming an important part of the economy. They contribute significantly not just to their families but also to their communities at large. While there are increasingly more policies supporting female entrepreneurship at regional, national and local levels, women's entrepreneurship and business creativity remain an untapped resource for jobs and economic growth. A number of challenges, from difficult reconciliation of business and family, limited access to business networks, lack of funding opportunities, and mentorship, make entrepreneurship for women less attractive and often too far to reach. Financial independence is a key aspect of women's empowerment.

  
**PRINCIPAL**  
Dr. SAMUEL GEORGE INSTITUTE  
OF ENGINEERING & TECHNOLOGY  
MARKAPUR-523 316,Prakasam Dist

Thus, through this seminar we are aiming to reach out the students to understand the importance of women entrepreneurs and equip them with the necessary skills and training to make their enterprises sustainable.

#### TOPICS TO BE COVERED:

- Mobilization
- Financial literacy
- Business Idea Generation
- Nurturing the women entrepreneurs
- Strategies to succeed in a challenging ecosystem
- Challenging gender identities
- Teaching life skills and providing technology solutions
- Implications for policy and practice

#### RESOURCE PERSON:

**Dr.B. Sumalatha**  
**Professor, Vignan's University**  
**Vadlamudi.**

## REPORT

**Name of the Programme** : A Seminar on Empowering Women Entrepreneur

**Date** : 14.10.2019

**Resources Person Details** : Dr.B.Sumalatha, Professor, Vignan University, Guntur.

### **Objective of the Programme:**

- To enable women entrepreneurs to identify and pursue career paths in Business world.
- To promote women led businesses at national as well as international platforms.
- To bridge the social, cultural and economic gap by providing opportunities for professional and personal development.
- To encourage, enable and facilitate women in becoming economically empowered.
- To set role models in Women Entrepreneurship to influence the younger generation.

### **Programme outcome:**

A Seminar on Empowering Women Entrepreneur was conducted on 14.10.2019 by department of civil engineering, Dr.SGIT in George millennium auditorium from 10.30 AM onwards. The resource person **Dr.B. Sumalatha** was delivered a detailed lecture on the mentioned topic. The session mainly focused on importance of women entrepreneurs, the importance of expanding access to finance for women-led businesses as well as recognizing the role women play in addressing global challenges. She explained about the examples of present women entrepreneurs in various fields and their journeys. Finally the session was completed with good feedback from the students.

#### ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

#### DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

#### ABOUT THE DEPARTMENT:

Computer science and engineering department started in 1997. The CSE department is one of the pioneer department of Dr.SGIT, with present intake of B.Tech – 120 and M.Tech – 36. Computer science and engineering degree is exciting enough as it will open the doors to very cool jobs. It is truly amazing to catch the trend with SGIT. Because SGIT takes care to maximize the learning opportunities by keeping up-to-date. Department has well qualified, dedicated and motivated faculty and well equipped laboratories. The CSE department with its commitment excellence educates the engineers of tomorrow by integrating classroom theory and practical knowledge. The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce computer science & engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

#### ABOUT THE SEMINAR:

Technology research and development refers to the invention, design, improvement, and construction of new types of products, equipment, and machinery. Highly skilled scientists and engineers conduct technology research and development on medical equipment, consumer electronics, industrial machines, power generators, computers, and any number of other modern devices. Professionals conduct research in many different settings, including engineering firms, biotechnology companies, manufacturing plants, university laboratories, and private shops.

The effectiveness of scientific and technologic innovation depends on many factors in research organizations, including the management and review of research programs, the policies and procedures that apply to those programs, and the broader environment and culture of research.

#### TOPICS TO BE COVERED:

- About technological research
- Factors in technological research
- Research Environment and Culture

#### RESOURCE PERSONS:

**Dr. B. Srinivasulu**  
**Professor, STLW**  
**Hyderabad.**

#### REGISTRATION DETAILS:

- There is no Registration fee for the Program.
- Registration for the Program can be done using the registration form available at the respective HODS
- All the staff & IV B Tech students are requested to register the Certification program before two days by using Registration form.

#### CONTACT DETAILS:

## REPORT

**Name of the Programme** : A Seminar on Technological Research

**Date** : 13.12.2019

**Resources Person Details** : Dr.B.Srinivasulu, Professor Dept of CSE, STLW, Hyderabad

### **Objective of the Programme:**

- To promote and encourage the students towards research
- To encourage application oriented research in the field of Engineering
- To provide awareness on technological research

### **Programme outcome:**

A Seminar on Technological Research was conducted on 13.12.2019 by the department of CSE, Dr. SGIT in seminar hall from 10.00 AM onwards. The resource person **Dr.B.Srinivasulu** was delivered a detailed lecture on the mentioned topic. Through this seminar the students got knowledge about the importance of research, factors in technological research, and the culture of research. The faculties from other departments of Dr. SGIT were also participated in this seminar. There was a good interaction takes place between participants and the resource person throughout the session.

#### ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

#### DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

#### ABOUT THE DEPARTMENT:

The department of mechanical engineering was established in the year 1997. The mechanical engineering department is one of the pioneer departments of Dr. SGIT. As on today 18 batches passed out with excellent academic performance. The department has excellent lab facilities with state of the art equipment and it has highly qualified, experienced and committed faculty members. The department takes active role in arranging expert lectures as well as industrial visits for benefit of the students. The department gives importance not only to academic education but also ethical values and personality development of students. National level student symposium is conducted in every year. Students are encouraged to take up industrial projects. More over the students will also be motivated to present papers in student seminars. Paper contests etc. The department is also actively involved in placement of the students through ON/OFF campus interviews. The department strives hard to impart quality education and to keep the students on the competitive edge of the present day technology.

#### ABOUT THE SEMINAR:

A startup is a young company, usually small and financed and operated by a handful of founders or an individual. They offer a product or service currently not offered in the market, or being offered in an inferior manner. It helps in making life easier through innovative means. In the Indian context, startup means an entity, incorporated or registered in India not prior to five years, with annual turnover not exceeding INR 25 crore in any preceding financial year, working towards innovation, development, deployment or commercialization of new products, processes or services driven by technology property.

India ranks third globally with more than 4200 startups according to National Association of Software and Services Companies Startup Ecosystem Report. India is the youngest startup nation in the world, 72% of the founders are less than 35 years old. More than 50% of the 1200 startups focus on e-commerce, consumer services and aggregators. 9% female founders and co-founders in startup ecosystem. In the light of above facts, the Government is paying so much attention and giving the much deserved recognition to the startup sector.

The seminar is mainly focused on pre-requisites for startups and regulatory environment for Startups, Fund raising & Financial Management, role of Government, Industry and Institute in promoting Startups and also motivating the students for start-ups.

#### TOPICS TO BE COVERED:

- How to start startup
- Simplification and Handholding
- Funding Support and Incentives
- Industry-Academia Partnership and Incubation

#### RESOURCE PERSONS:

Dr. S.L.V PRASAD, M.Tech, Ph.D  
GATE, Gooty, Anantapur

#### REGISTRATION DETAILS:

- There is no Registration fee for the Program.
- Registration for the Program can be done using the registration form available at the respective HODS
- All the staff & IV B Tech students are requested to register the Certification program before two days by using Registration form.

## REPORT

Name of the Programme : Seminar on Establishment of Start-up Company

Date : 30-01-2020

Details of resource person : Dr.S.L.V. Prasad, Professor, GATE, Gooty, Anathapur

### Objective of the Programme:

- To learn some basic steps to set up a business that aims to provide a new entrepreneur an insight into the processes for setting up a Business.
- To focus on regulatory environment for Startups, Fund raising & Financial Management, role of Government, Industry and Institute in promoting Startups and also motivating the students for start-ups.
- To understand the lifecycle of startups and the startup problems.

### Programme outcome:

The Department of Mechanical Engineering of Dr. SGIT conducted a **Seminar on Establishment of Start-up Company** on 30-01-2020 at seminar hall from 10.30 AM onwards. The lecture was taken up by Dr.S.L.V Prasad from GATES, Gooty. The seminar commenced with the basic steps required to set up a business. He educated the students on how to assess them self as a potential business owner and determined the concept of feasibility. The guest speaker instructed them how to examine critical issues and make important decisions in Startups. By the end of the seminar, the participated students gained knowledge on how to develop a new business plan, arrange business financing and what are the legal considerations and requirements a new entrepreneur must think about it.

#### ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

#### DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

#### ABOUT THE DEPARTMENT:

Computer science and engineering department started in 1997. The CSE department is one of the pioneer department of Dr.SGIT, with present intake of B.Tech – 120 and M.Tech – 36. Computer science and engineering degree is exciting enough as it will open the doors to very cool jobs. It is truly amazing to catch the trend with SGIT. Because SGIT takes care to maximize the learning opportunities by keeping up-to-date. Department has well qualified, dedicated and motivated faculty and well equipped laboratories. The CSE department with its commitment excellence educates the engineers of tomorrow by integrating classroom theory and practical knowledge. The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce computer science & engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

#### ABOUT THE SEMINAR:

Unemployment is one of the pain areas and prickly issues being faced by any economy. Unemployment not just in uneducated but also has branched its roots in the educated sectors. India being a young country constitutes a major chunk of its population be youth and to tap their full potential we need to empower our youth with the right set of skills and opportunities. Entrepreneurship is our greatest weapon to counteract this issue and to empower our youth. Youth by default are energized and empowered, they are willing to explore new territories and take up new challenges and risks. Starting a business is just one aspect of entrepreneurship; another is reviving a community. When business owners make investments in their community, they contribute to boosting employment and the local economy.

Entrepreneurship helps to develop a sense of pride in the community in addition to producing jobs and strengthening the economy. People are more likely to desire to live and work in a place where successful enterprises are located. This sense of pride can contribute to community regeneration by recruiting new businesses and people. A new business can bring new life to a community, which can help in improving the local economy. This seminar gives an overview on entrepreneurship and its role in avoiding unemployment.

#### TOPICS TO BE COVERED:

- Objectives of Entrepreneurship
- Long-term opportunities and realities of entrepreneurship
- Importance of entrepreneurship to control unemployment
- Government's views on entrepreneurship in India

#### RESOURCE PERSONS:

**Dr. P. SRINIVASULU, M.Tech, Ph.D**  
KCIT, Markapur

#### REGISTRATION DETAILS:

- There is **no Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the respective HODS
- All the staff & IV B Tech students are requested to register the Certification program before two days by using Registration form.

## REPORT

**Name of the Programme** : A Seminar on Role of Entrepreneurship reducing Unemployment

**Date** : 08-02-2020

**Details of resource person** : Dr. P.Srinivasulu, Professor, KCIT, Markapur

### **Objective of the Programme:**

The objective of the seminar is to create a knowledge on the importance and realities of entrepreneurship, discuss the business opportunities that entrepreneurs can consider to reduce unemployment in their communities.

### **Programme outcome:**

A Seminar on Role of Entrepreneurship reducing Unemployment was conducted by department of CSE on 08-02-2020 in George Millennium Auditorium from 10.30 AM onwards. The resource person **Dr. P.Srinivasulu** was delivered a speech on objectives of entrepreneurship. The speech also covers the long term opportunities & realities of entrepreneurship, requirements of new business. As Entrepreneurial activities may influence a country's economic performance, the resource person also gave a talk on how entrepreneurship can control unemployment of a country and what are the Government's views on entrepreneurship in India.

#### ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

#### DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

#### ABOUT THE DEPARTMENT:

The Department currently runs UG & PG programs Electronics & Communications Engineering and Digital Electronics and Communications Engineering. The UG-ECE intake is 120 and PG-DECE intake is 36. The Department of ECE established state-of-the-art labs viz., Electronic Devices and Circuits, Pulse and Digital Circuits, Analog and Digital Communications, Microprocessors and Controllers, Microwave Engineering, VLSI and Digital Signal Processing etc. to suit the needs of the Students and the Faculty. The Labs are provided with Licensed Software's like MATLAB, CCStudio, Multisim, XILLINX, Mentor Graphics, etc.. A large number of activities are conducted regularly under these student forums. Guest lectures, Workshops, Hands on Sessions on latest tools are regularly held to help students to acquire new knowledge, deeper and clear understanding of major concepts and build the ability to apply in the relevant fields.

#### ABOUT THE SEMINAR:

A patent is an exclusive right granted for an invention, which is a product or a process that provides, in general, a new way of doing something, or offers a new technical solution to a problem. To get a patent, technical information about the invention must be disclosed to the public in a patent application. A patent is a property right granted by a government to an inventor. In exchange for a thorough disclosure of the idea, this grant gives the inventor temporary exclusivity over the patented method, design, or creation. They represent a kind of intangible right. Patent protection is not automatically granted, in contrast to copyright. It is necessary to formally file a patent in India, and it is crucial that the innovation not be made public beforehand.

Project funding refers to the process of obtaining financial resources for the purpose of implementing a specific project or initiative. This can come from various sources, including government grants, private investors, and loans, among others.

#### TOPICS TO BE COVERED:

##### DAY-1

- What is patent? Need of patenting
- How an invention become eligible for patent protection
- Applying for patent, Filing of patent application
- Processing of application, Publication of application
- Grant of patent

##### DAY -2

- Types of Project Funding
- Key Features of Project Funding
- Advantages of Project Funding
- Project finance

#### RESOURCE PERSONS:

**Dr.S.L.Prathap Reddy**

**Professor, KSRMCE, Kadapa.**

#### REGISTRATION DETAILS:

- There is no **Registration fee** for the Program.
- Registration form available at HOD
- All the staff & IV B Tech students are requested to register before two days by using Registration form.

#### CONTACT DETAILS:

## REPORT

**Name of the Programme** : A seminar On Expert Talk on How to File Patents & Funding Projects

**Date** : 18.02.2020

**Details of Resource Person** : Dr.S.L.Prathap Reddy, Professor, KSRMCE, Kadapa

### **Objectives of the Programme:**

- To give overview on Research
- To provide knowledge on patent and its filing procedure
- To give awareness on how to get funding for research projects

### **Programme outcome:**

A seminar on Expert Talk on How to File Patents & Funding Projects was conducted on 18.02.2020 by department of ECE, Dr. SGIT, at George millennium auditorium from 10.30 AM onwards. The resource person **Dr.S.L.Prathap Reddy** was delivered a detailed lecture on the mentioned topic. The resource person covered topics like how an innovative idea can be drafted and filed for patenting including marketing of the idea and products. He also focused on how a research paper and sponsored project can be patented.

#### ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

#### DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

#### ABOUT THE DEPARTMENT:

Electrical & Electronics Engineering department started in 1997. The EEE department is one of the pioneer department of Dr.SGIT, with present intake of B.Tech – 60 and M.Tech – 24 and diploma - 60. Electrical & Electronics Engineering degree is exciting enough as it will open the doors to very cool jobs. It is truly amazing to catch the trend with SGIT. Because SGIT takes care to maximize the learning opportunities by keeping up-to-date. Department has well qualified, dedicated and motivated faculty and well equipped laboratories. The EEE department with its commitment excellence educates the engineers of tomorrow by integrating classroom theory and practical knowledge. The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce Electrical & Electronics Engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

#### ABOUT SEMINAR:

Intellectual Property is that property that is developed by the human mind and by human intellect. Now intellectual property and rights attached to intellectual property are becoming very precious and valuable. In India, there are well-established administrative, statutory, and judicial frameworks for protecting IPR. Intellectual Property rights deal with Trademark, Copyrights, Patents, and Geographical Indications of goods. Intellectual property rights have great importance in the growth of a country. Intellectual property law is different in all countries. In many developed countries, the strict enforcement of the IPR role has a huge contribution to economic growth.

IPR promotes innovation which leads to economic growth. Nowadays every business in the world is the creation of Innovation

#### TOPICS TO BE COVERED:

- Introduction to IPR

## REPORT

**Name of the Programme:** A seminar on IPR an Over View and Implication

**Date:** 14.03.2020

**Resources person details:** Dr.G.Kaladhar, Professor, SACET, chirala

### **Objectives of the Programme:**

Objective of the seminar is to create awareness about IPRs, especially patents and copy rights among faculty members of RRCE, to guide researchers/inventors in respect of patenting their inventions & to provide insight into practical applications of IP such as patent drafting, patentability search and freedom to operate search, validity/invalidity search, and evidence of use analysis.

### **Programme outcomes:**

A seminar on IPR an over View and Implication was conducted on 14.03.2020 by department of EEE, Dr. SGIT in seminar hall from 10.30 AM onwards. The resource person **Dr.G.Kaladhar** was delivered a detailed lecture on the mentioned topic. On successful completion of this course the students gained a knowledge on IPR over view, types of IPR, overview about patents, trade mark & copyrights, its requirements, IP commercialization and implications of IPR.
