OF
CIVIL ENGINEERING**

**DR. SAMUEL GEORGE INSTITUTE OF
ENGINEERING & TECHNOLOGY**

(Approved by AICTE, affiliated to JNTU Kakinada)
(An ISO 9001: 2000 Certified Institution)

SGIT B.O- 523320, George Town

Darimadugu (V), MARKAPUR

Prakasam (Dist). Phone: 08596 - 200064

ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

ABOUT THE DEPARTMENT:

Civil Engineering department started in 2010. The civil department is one of the pioneer department of Dr.SGIT, with present intake of B.Tech – 60 and diploma - 60. Civil Engineering degree is exciting enough as it will open the doors to very cool jobs. It is truly amazing to catch the trend with SGIT. Because SGIT takes care to maximize the learning opportunities by keeping up-to-date. Department has well qualified, dedicated and motivated faculty and well equipped laboratories. The civil department with its commitment excellence educates the engineers of tomorrow by integrating classroom theory and practical knowledge. The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce Civil Engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

ABOUT SEMINAR:

Entrepreneurial Motivation Training (EMT) has been one of the most important inputs in developing individuals as an enterprising person. The training in Entrepreneurial Motivation, besides increasing need for achievement of potential entrepreneurs also helps them develops coping ability, tolerance to ambiguity and influencing capability. Subsequently this training as a part of total Entrepreneurship Development Program further increases the receptibility of participants regarding inputs relating to Enterprise Launching and Management.

The objective of this training program is to enhance entrepreneurial spirit and improve entrepreneurial competencies of participants and to emphasize motivation, planning and cooperation efforts thereby helping the participants to know his self-image thus he/she can relate/compare his image with environment.

TOPICS TO BE COVERED:

- Concept/ Meaning of Entrepreneurial Motivation Training
- Objectives of EMT
- Basics of Entrepreneurship
- Theories of motivation
- Motives for starting enterprises – Internal and External factors
- Motivational and managerial inputs
- Methods of Entrepreneurial Training

RESOURCE PERSON:

Dr. B. Satya Narayana ,M.Tech, Ph.D
Professor, Department of Civil engineering
BEC, Bapatla

REGISTRATION DETAILS:

- There is **No Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the department HOD.

REPORT

Name of the Programme: A Seminar on Expert Talk on IPR

Date: 12-07-2022

Details of resource person: Dr. B. SATYA NARAYANA, Professor, BEC, Bapatla

Objectives of the program:

- To provide an insight of IP Awareness and Sensitization on the Patent Application Process.
- To understand the concepts of Patents, Designs, Trade Marks etc.,
- To create awareness on other types of rights, such as trade secrets, publicity rights, moral rights
- To motivate the students to convert their ideas into innovation and further transformation into IP assets through IPR.

Programme Outcome:

A seminar on Expert talk on IPR was conducted on 12-07-2022 by Civil Engineering Department of Dr. SGIT at George millennium auditorium. The programme was begun at 10.30 AM with welcome speech and the guest speaker was invited to start the session. Dr. B. Satya Narayana from BEC started the session and explained all the fundamental aspects of intellectual property right and the need of IPR in current system. He also gave a very informative content by explaining the different categories of Intellectual Property like- Patents, Designs, Trade Marks, Geographical Indications, Copyrights and brief explanation regarding other types of rights. Later on, the resource person clarified the doubts of many students regarding IPR. The program ended with vote of thanks in appreciation to the guest speaker.

ABOUT SEMINAR:

A research scholar has to write quality research papers and get them published in reputed journals so as to demonstrate his/her research skills. The key to writing a successful research paper is all about originality, uniqueness, and innovation. Writing a quality research paper requires a substantial amount of research knowledge and efforts. However, several research scholars are not able to publish quality research papers due to lack of necessary knowledge and skills.

Keeping this demand in mind, the objective of this workshop is to unpack what constitutes a great research paper and outline the pleasures and pitfalls of writing it.

With the help of some characteristic examples and activities, this seminar focus on deciding the title of the research paper, writing a research article, drafting the abstract, selecting and publishing in a good impact journal.

TOPICS TO BE COVERED:

- Importance of research
- Establishing the right mindset to be a Research Author.
- Defining the focus and contribution of Research Paper.
- Identifying appropriate target Journals.
- Structure of a typical Scientific Journal Article.
- Preparing a compelling title and abstract
- Writing Introduction, Results and Discussion, Citations and References
- How to publish a research paper
- Plagiarism and ethics of paper writing
- Top reasons for rejections of papers

RESOURCE PERSON:

Dr. J.UDAY BHASKAR
Professor
SRIN, Amalapuram

REPORT

Name of the Programme: A Seminar on Research Opportunities in Electrical & Electronics Engineering

Date: 05-08-2022

Details of Resources Person: Dr. J.Uday Bhaskar, Professor, SRIN, Amalpuram

Objective of the Programme:

- To motivate the students towards research in Electrical & Electronics Engineering field
- To provide overview on available research opportunities in various fields of EEE
- To provide knowledge on importance of research and the procedure of research work

Programme outcome:

A Seminar on Research Opportunities in Electrical & Electronics Engineering was conducted on 05-08-2022 by Department of Electrical & Electronics Engineering, Dr. SGIT in seminar hall from 10.00 AM onwards. The resource person, Dr. J.Uday Bhaskar from SRIN was delivered a detailed lecture on the mentioned topic. The resource person initially explained the importance of research and how a research work will help the society. Later he explained about the areas like embedded systems, power electronics, Non conventional energy resources etc and the research scope in those areas. He also explained about the types of research and the methods in it. Resource person clarified all the quires of the participants.

ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36

- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

ABOUT THE DEPARTMENT:

The department of mechanical engineering was established in the year 1997. The mechanical engineering department is one of the pioneer departments of Dr. SGIT. As on today 18 batches passed out with excellent academic performance. The department has excellent lab facilities with state of the art equipment and it has highly qualified, experienced and committed faculty members. The department takes active role in arranging expert lectures as well as industrial visits for benefit of the students. The department gives importance not only to academic education but also ethical values and personality development of students. National level student symposium is conducted in every year. Students are encouraged to take up industrial projects. More over the students will also be motivated to present papers in student seminars. Paper contests etc. The department is also actively involved in placement of the students through ON/OFF campus interviews. The department strives hard to impart quality education and to keep the students on the competitive edge of the present day technology.

ABOUT THE SEMINAR:

Entrepreneurial Motivation Training (EMT) has been one of the most important inputs in developing individuals as an enterprising person. The training in Entrepreneurial Motivation, besides increasing need for achievement of potential entrepreneurs also helps them develop coping ability, tolerance to ambiguity and influencing capability. Subsequently this training as a part of total Entrepreneurship Development Program further increases the receptibility of participants regarding inputs relating to Enterprise Launching and Management.

The objective of this training program is to enhance entrepreneurial spirit and improve entrepreneurial competencies of participants and to emphasize motivation, planning and cooperation efforts thereby helping the participants to know his self-image thus he/she can relate/compare his image with environment.

TOPICS TO BE COVERED:

- Concept/ Meaning of Entrepreneurial Motivation Training
- Objectives of EMT
- Basics of Entrepreneurship
- Theories of motivation
- Motives for starting enterprises – Internal and External factors
- Motivational and managerial inputs
- Methods of Entrepreneurial Training

RESOURCE PERSONS:

Dr. Syed. Altaf Hussain M.Tech, Ph.D

**Professor, Dept. of Mechanical Engineering
RGM CET, Nandyal.**

REGISTRATION DETAILS:

- There is **No Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the respective HODS
- All the staff & IV B Tech students are requested to register the Certification program before two days by using Registration form.

REPORT

Name of the Programme : Seminar on Entrepreneurial Motivation Training

Date : 23-08-2022

Details of Resource Person : Dr. Syed Altaf Hussain, Professor, RGM CET, Nandyal

Objective of the Programme:

- To enhance entrepreneurial spirit and improve entrepreneurial competencies of participants
- To inculcate the entrepreneurial skills to students and to emphasize the importance of planning and cooperation efforts.
- To help participants in knowing one's self-image which helps to relate/compare an individual image with environment.
- To make students the potential entrepreneurs by developing their coping ability, tolerance to ambiguity and influencing capability.

Programme outcome:

A Seminar on Entrepreneurial Motivation Training was conducted on 23-08-2022 by the Department of Mechanical Engineering of Dr. SGIT. All the students and faculty members were gathered in the seminar hall. The programme started at 10.30 AM with the speech given by the guest speaker Dr. Syed Altaf Hussain. He commenced the talk with fundamentals of entrepreneurship, entrepreneurial skills. He explained various types of motivational inputs like the wide array of tests, role plays, psychological games, goal-setting exercise which are essential in developing individuals as an enterprising person. Aiming to equip participants with relevant knowledge and skills, the resource person shared some entrepreneurial skills with examples which made the session interesting and interactive. Eventually, the lecture was concluded in motivating the students to become successful entrepreneurs by exerting higher level of efforts for the achievement of his/her entrepreneurial goals. Later students interacted with the speaker and asked some queries regarding the seminar and he clarified all the doubts. The session was found very informative and ended with vote of thanks.

DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

ABOUT THE DEPARTMENT:

Computer science and engineering department started in 1997. The CSE department is one of the pioneer department of Dr.SGIT, with present intake of B.Tech – 120 and M.Tech – 36. Computer science and engineering degree is exciting enough as it will open the doors to very cool jobs. It is truly amazing to catch the trend with SGIT. Because SGIT takes care to maximize the learning opportunities by keeping up-to-date. Department has well qualified, dedicated and motivated faculty and well equipped laboratories. The CSE department with its commitment excellence educates the engineers of tomorrow by integrating classroom theory and practical knowledge. The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce computer science & engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

ABOUT THE SEMINAR:

A patent is an exclusive right granted for an invention, which is a product or a process that provides, in general, a new way of doing something, or offers a new technical solution to a problem. To get a patent, technical information about the invention must be disclosed to the public in a patent application. A patent is a property right granted by a government to an inventor. In exchange for a thorough disclosure of the idea, this grant gives the inventor temporary exclusivity over the patented method, design, or creation. They represent a kind of intangible right. Patent protection is not automatically granted, in contrast to copyright.

It is necessary to formally file a patent in India, and it is crucial that the innovation not be made public beforehand.

TOPICS TO BE COVERED:

- What is patent? Need of patenting
- How an invention become eligible for patent protection
- Applying for patent, Filing of patent application
- Processing of application, Publication of application

RESOURCE PERSONS:

Dr. A.Sai Hanuman
Professor, GRIET,
Hyderabad.

REGISTRATION DETAILS:

- There is **no Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the respective HODS
- All the staff & IV B Tech students are requested to register the Certification program before two days by using Registration form.

REPORT

Name of the Programme : A Seminar on How to File Patent

Date : 15.09.2022

Details of Resource Person : Dr.A.Sai Hanuman, Professor, GRIET, Hyderabad

Objective of the Programme:

- To provide awareness about the Intellectual Property Right (IPR)
- To provide an understanding of basic concepts of IPR related terminology
- To guide individual about patent drafting, formulation of claims and filing

Programme outcome:

A Seminar on How to File Patent was conducted on 15.09.2022 by department of CSE, Dr. Samuel George Institute of Engineering and Technology at seminar hall from 10.30 AM onwards. The resource person **Dr.A.Sai Hanuman** was delivered a detailed lecture on the mentioned topic. Initially he explained as a patent is the granting of a property right by a sovereign authority to an inventor. A patent provides the inventor exclusive rights to the patented process, design, or invention for a certain period in exchange for a complete disclosure of the invention. His presentation also covered the topics such as overview on IPR, various types of IP, affording patents, measuring patent 'quality, patent filling in India and abroad, patent search and examination methodologies, patent filing structure.

29 SEPTEMBER 2022

Organized by

CIVIL ENGINEERING DEPARTMENT

**DR. SAMUEL GEORGE INSTITUTE OF
ENGINEERING & TECHNOLOGY**

(Approved by AICTE, affiliated to JNTU Kakinada)
(An ISO 9001: 2000 Certified Institution)

SGIT B.O- 523320, George Town

Darimadugu (V), MARKAPUR

Prakasam (Dist). Phone: 08596 - 200064

ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

ABOUT THE DEPARTMENT:

Civil Engineering department started in 2010. The civil department is one of the pioneer department of Dr.SGIT, with present intake of B.Tech – 60 and diploma - 60. Civil Engineering degree is exciting enough as it will open the doors to very cool jobs. It is truly amazing to catch the trend with SGIT. Because SGIT takes care to maximize the learning opportunities by keeping up-to-date. Department has well qualified, dedicated and motivated faculty and well equipped laboratories. The civil department with its commitment excellence educates the engineers of tomorrow by integrating classroom theory and practical knowledge. The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce Civil Engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

ABOUT SEMINAR:

Intellectual Property is that property that is developed by the human mind and by human intellect. Now intellectual property and rights attached to intellectual property are becoming very precious and valuable. In India, there are well-established administrative, statutory, and judicial frameworks for protecting IPR. Intellectual Property rights deal with Trademark, Copyrights, Patents, and Geographical Indications of goods. Intellectual property rights have great importance in the growth of a country. Intellectual property law is different in all countries. In many developed countries, the strict enforcement of the IPR role has a huge contribution to economic growth. IPR promotes innovation which leads to economic growth. Nowadays every business in the world is the creation of Innovation.

TOPICS TO BE COVERED:

- Introduction to IPR
- Role of Intellectual Property in Economy
- The Connection between Intellectual Property and Economy
- Positive Impact of Intellectual Property Rights in Economy
- Negative Impact of Intellectual Property Rights in Economy
- Drawback and Misuse of IPR on Economic Development
- Importance Of IP Protection For Economy
- Endogenous IPRS
- Evidence on the Overall Impact of IPRS on Growth
- Promote Competitive Markets

RESOURCE PERSON:

Dr. P.P.S NAIK M.Tech, Ph.D

Professor & Head of the department

Computer science & engineering department

Dr. SGIT, Markapur.

REGISTRATION DETAILS:

- There is **No Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the department HOD.

REPORT

Name of the Programme : A Seminar on Importance of IPR in Modern Global Economic Environment

Date : 29.09.2022

Resources Person Details: Dr. P.P.S.NAIK, Professor, Dr. SGIT, Markapur

Objectives of the Programme:

- To get overview on Intellectual Property Rights
- To make students understand the concept of Intellectual Property, its importance and its need.
- To promote the knowledge of Intellectual Property Laws of India as well as International treaty procedures

Programme outcomes:

A seminar on **Importance of IPR in Modern Global Economic Environment** was conducted on 29.09.2022 by department of civil Engineering, Dr.SGIT in seminar hall from 10.30 AM onwards. The resource person **Dr.P.P.S.NAIK** was delivered a detailed lecture on the mentioned topic. His presentation started with theories of IPR, philosophical aspects of IPR laws, need for IPR, IPR as an instrument of development. Later he focused on enforcement of Intellectual Property Rights, International agreements, and International organizations active in IPR enforcement and Indian Scenario of IPR.

ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

ABOUT THE DEPARTMENT:

Electrical & Electronics Engineering department started in 1997. The EEE department is one of the pioneer department of Dr.SGIT, with present intake of B.Tech – 60 and M.Tech – 24 and diploma - 60. Electrical & Electronics Engineering degree is exciting enough as it will open the doors to very cool jobs. It is truly amazing to catch the trend with SGIT. Because SGIT takes care to maximize the learning opportunities by keeping up-to-date. Department has well qualified, dedicated and motivated faculty and well equipped laboratories. The EEE department with its commitment excellence educates the engineers of tomorrow by integrating classroom theory and practical knowledge. The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce Electrical & Electronics Engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

ABOUT SEMINAR:

A research scholar has to write quality research papers and get them published in reputed journals so as to demonstrate his/her research skills. The key to writing a successful research paper is all about originality, uniqueness, and innovation. Writing a quality research paper requires a substantial amount of research knowledge and efforts. However, several research scholars are not able to publish quality research papers due to lack of necessary knowledge and skills.

Keeping this demand in mind, the objective of this workshop is to unpack what constitutes a great research paper and outline the pleasures and pitfalls of writing it.

With the help of some characteristic examples and activities, this seminar focus on deciding the title of the research paper, writing a research article, drafting the abstract, selecting and publishing in a good impact journal.

TOPICS TO BE COVERED:

- Importance of research
- Establishing the right mindset to be a Research Author.
- Defining the focus and contribution of Research Paper.
- Identifying appropriate target Journals.
- Structure of a typical Scientific Journal Article.
- Preparing a compelling title and abstract
- Writing Introduction, Results and Discussion, Citations and References
- How to publish a research paper
- Plagiarism and ethics of paper writing
- Top reasons for rejections of papers

RESOURCE PERSON:

Prof. Dr.S.V.D.ANIL KUMAR M.Tech, PhD
SACET,Chirala.

REGISTRATION DETAILS:

- There is **No Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the department HOD.

REPORT

Name of the Programme: Seminar on Research Article Writing & Publication

Date : 20-10-2022

Details of resource person : Dr.S.V.D.Anil Kumar, Professor, SACET, Chirala

Objectives of the programme:

Writing a quality research paper requires a substantial amount of research knowledge and efforts. Keeping this demand in mind, the objective of this seminar is to unpack what constitutes a great research paper and outline the pleasures and pitfalls of writing it. With the help of some characteristic examples and activities, this seminar focuses on deciding the title of the research paper, writing a research article, drafting the abstract, selecting and publishing in a good impact journal.

Programme Outcome:

The Department of EEE of Dr. SGIT conducted a **Seminar on Research Article Writing & Publication** on 20-10-2022 at 10.30 AM in seminar hall. The resource person Dr.S.V.D.Anil Kumar from St.Anns College of Engineering delivered an amazing lecture. He explained the importance of research, the ups and downs of writing an article. As the key to writing a successful research paper is all about originality, uniqueness, and innovation, the guest speaker educated students how to write a research paper and get them published in reputed journals. The concept of Plagiarism and ethics of paper writing were also discussed during the session. He shared the top reasons for rejections of papers and ideas to overcome them. Eventually, the speaker clarified the questions of students and encouraged them for article writing.

The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce computer science & engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

ABOUT THE SEMINAR:

Unemployment is one of the pain areas and prickly issues being faced by any economy. Unemployment not just in uneducated but also has branched its roots in the educated sectors. India being a young country constitutes a major chunk of its population be youth and to tap their full potential we need to empower our youth with the right set of skills and opportunities. Entrepreneurship is our greatest weapon to counteract this issue and to empower our youth. Youth by default are energized and empowered, they are willing to explore new territories and take up new challenges and risks. Starting a business is just one aspect of entrepreneurship; another is reviving a community. When business owners make investments in their community, they contribute to boosting employment and the local economy.

Entrepreneurship helps to develop a sense of pride in the community in addition to producing jobs and strengthening the economy. People are more likely to desire to live and work in a place where successful enterprises are located. This sense of pride can contribute to community regeneration by recruiting new businesses and people. A new business can bring new life to a community, which can help in improving the local economy. This seminar gives an overview on entrepreneurship and its role in avoiding unemployment.

TOPICS TO BE COVERED:

- Objectives of Entrepreneurship
- Long-term opportunities and realities of entrepreneurship
- Importance of entrepreneurship to control unemployment
- Government's views on entrepreneurship in India

RESOURCE PERSONS:

Dr. K.KRANTHI KUMAR

LBRCE , Mylavaram.

REGISTRATION DETAILS:

- There is **No Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the respective HODS
- All the staff & IV B Tech students are requested to register the Certification program before two days by using Registration form.

REPORT

Name of the Programme : A Seminar on Role of Entrepreneurship Reducing Unemployment

Date : 19-11-2022

Details of Resource Person : Dr. K. Kranthi Kumar, Professor, LBRCE, Mylavaram

Objective of the Programme:

The main objective of the programme is to provide knowledge on entrepreneurship and necessity of entrepreneurship and to motivate the students to become entrepreneur so that they generate more job opportunities for others as it plays key role in reducing the unemployment in India. The seminar also creates awareness regarding Government schemes and the role of Government policies and programmes in start-ups.

Programme outcome:

A Seminar on Role of Entrepreneurship reducing Unemployment was conducted on 19-11-2022 by the Department of CSE, Dr.SGIT at seminar hall. The seminar was started at 10.30 AM. The lecture was taken up by Dr.K.Kranthi kumar from LBRCE. The speaker commenced the lecture with reasons and consequences of unemployment in India. He opined that entrepreneurship would be the best solution of unemployment as entrepreneurship generates new job opportunities and leads to innovation. As the Indian government is focused on aiding new enterprises, the resource person suggested some Government schemes to students. In the end he concluded that the most effective tool to address the unemployment issue and to give the young generation more power in creating opportunities for entrepreneurship.

14th DECEMBER 2022

Organized by

DEPARTMENT OF ECE

**DR. SAMUEL GEORGE INSTITUTE OF
ENGINEERING & TECHNOLOGY**

(Approved by AICTE, affiliated to JNTU Kakinada)
(An ISO 9001: 2000 Certified Institution)

SGIT B.O- 523320, George Town

Darimadugu (V), MARKAPUR

Prakasam (Dist). Phone: 08596 - 200064

ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

ABOUT THE DEPARTMENT:

The Department currently runs UG & PG programs Electronics & Communications Engineering and Digital Electronics and Communications Engineering. The UG-ECE intake is 120 and PG-DECE intake is 36. The Department of ECE established state-of-the-art labs viz., Electronic Devices and Circuits, Pulse and Digital Circuits, Analog and Digital Communications, Microprocessors and Controllers, Microwave Engineering, VLSI and Digital Signal Processing etc. to suit the needs of the Students and the Faculty. The Labs are provided with Licensed Software's like MATLAB, CCStudio, Multisim, XILLINX, Mentor Graphics, etc.. A large number of activities are conducted regularly under these student forums. Guest lectures, Workshops, Hands on Sessions on latest tools are regularly held to help students to acquire new knowledge, deeper and clear understanding of major concepts and build the ability to apply in the relevant fields.

ABOUT THE SEMINAR:

The seminar teaches participants how to develop a positive attitude for success. Whether you consider yourself to have a good or bad attitude, this course will help you be more successful in your job and life. The attitude skills, is really about helping people discover new ways of thinking. Attitude influences a person's choice of action, response to challenges, incentives, and rewards. One of the most important steps you can take as a business owner is to assess your attitude and become aware of how it impacts your work performance, relationship with your employees, and everyone else around you. The workshop is based on the assumption that everyone has an attitude.

The workshop is based on the assumption that everyone has an attitude. It might be a positive or a negative attitude depending on someone else's perspective

TOPICS TO BE COVERED:

- Tools To Maximize Your First Impact
- Time management
- Presentation
- Self
- Positive thinking
- Attitude Skills for Success
- Attitude Vs Leadership

RESOURCE PERSONS:

Dr. S. Siva Reddy
Professor, Dept. of ECE, LITAM,
Sattenapalli

REGISTRATION DETAILS:

- There is **No Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the respective HODS
- All the staff & IV B Tech students are requested to register the Certification program before two days by using Registration form.

DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

ABOUT THE DEPARTMENT:

Electrical & Electronics Engineering department started in 1997. The EEE department is one of the pioneer department of Dr.SGIT, with present intake of B.Tech – 60 and M.Tech – 24 and diploma - 60. Electrical & Electronics Engineering degree is exciting enough as it will open the doors to very cool jobs. It is truly amazing to catch the trend with SGIT. Because SGIT takes care to maximize the learning opportunities by keeping up-to-date. Department has well qualified, dedicated and motivated faculty and well equipped laboratories. The EEE department with its commitment excellence educates the engineers of tomorrow by integrating classroom theory and practical knowledge. The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce Electrical & Electronics Engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

ABOUT SEMINAR:

Intellectual property rights (IPR) have been defined as ideas, inventions, and creative expressions based on which there is a public willingness to bestow the status of property. IPR provide certain exclusive rights to the inventors or creators of that property, in order to enable them to reap commercial benefits from their creative efforts or reputation. There are several types of intellectual property protection like patent, copyright, trademark, etc. Patent is recognition for an invention, which satisfies the criteria of global novelty, non-obviousness, and industrial application. IPR is prerequisite for better identification, planning, commercialization, rendering, and thereby protection of invention or creativity. Each industry should evolve its own IPR policies, management style, strategies, and so on depending on its area of specialty.

TOPICS TO BE COVERED:

- Introduction to IPR
- Challenges in Intellectual Property
- Economic Analysis of Intellectual Property
- Social & economic implications of IPR
- IPR & sustainable development
- Human rights & IPR
- IPR in education
- IPR issues and prospects
- Role of Intellectual Property in Economy
- The Connection between Intellectual Property and Economy
- Positive Impact of Intellectual Property Rights in Economy

RESOURCE PERSON:

K.V.V. Bapi Raju
Assoc.Professor, SRIN,
Amalapuram.

REGISTRATION DETAILS:

- There is **No Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the department HOD.

REPORT

Name of the Programme: A Seminar on Current Issues in Intellectual Property Rights in India

Date: 07.01.2023

Resources Person Details: Mr. K.V.V Bapi Raju, Assoc. Professor, SRIN, Amalapuram

Objectives of the Programme:

- To give overview on IPR and its importance to understand the concepts of IPR to the students
- To provide knowledge on IPR laws
- To provide overview on current issues in IP rights in India

Programme outcome:

A Seminar on Current Issues in Intellectual Property Rights in India was conducted on 07.01.2023 by department of EEE, Dr.SGIT, in seminar hall from 10.30 AM onwards. The resource person **Mr. K.V.V Bapi Raju** was delivered a detailed lecture on the mentioned topic. The resource person provided a comprehensive introduction to the principles, concepts, evolution, current trends, and challenges of intellectual property law, as well as its significance in the modern world. He also explored both theoretical and practical aspects, using interactive exercises and discussions to offer participants practical insights into pressing issues, such as recent IP developments in India, the evolution of domestic IP laws to improve protection, the ongoing evolution of IP case law in India, the necessary legislation to harmonize India's IP system with global standards, and current efforts to strengthen IP enforcement in India. The seminar was ended with good response from the students.

**PRINCIPAL
DR. SAMUEL GEORGE INSTITUTE
OF ENGINEERING & TECHNOLOGY
MARKAPUR-523 316, Prakasam Dist.**

ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

ABOUT THE DEPARTMENT:

The department of Mechanical Engineering was established in the year 1997. The mechanical engineering department is one of the pioneer departments of Dr. SGIT. As on today 18 batches passed out with excellent academic performance. The department has excellent lab facilities with state of the art equipment and it has highly qualified, experienced and committed faculty members. The department takes active role in arranging expert lectures as well as industrial visits for benefit of the students. The department gives importance not only to academic education but also ethical values and personality development of students. National level student symposium is conducted in every year. Students are encouraged to take up industrial projects. More over the students will also be motivated to present papers in student seminars. Paper contests etc. The department is also actively involved in placement of the students through ON/OFF campus interviews. The department strives hard to impart quality education and to keep the students on the competitive edge of the present day technology.

ABOUT THE SEMINAR:

The tradition of scholarship and intellectual creativity in India goes back to a few millennia. Yet the concept of Intellectual Property Rights in the modern sense is rather new and would appear to have no cultural moorings or sanction in our country. The history of intellectual property rights in India backed by enforceable legal provisions scarcely goes back to 150 years. As a developing country, India has made significant strides in competing for Trade Related Intellectual Property Rights (TRIPS) agreements and compliance with US and European Intellectual Property Rights (IPR) structures.

The twenty-first century can be referred to as the century of technology, knowledge, and, in fact, the intellectual regime. The country's ability to translate knowledge into wealth-creating innovation will determine its future. Thus, innovation is thought to be the key to transforming knowledge into wealth. As a result, issues concerning the generation, evaluation, protection, and exploitation of intellectual property (IP) would become critically important all over the world.

TOPICS TO BE COVERED:

- Nature of IPR
- IPR components
- Development of IPR in INDIA
- Indian regime & IPR
- Legislative Developments in IPR
- Challenges in IPR

RESOURCE PERSONS:

Dr. V. Krishna Reddy, Principal
KCIT, Markapur

REGISTRATION DETAILS:

- There is **No Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the respective HODS
- All the staff & IV B Tech students are requested to register the Certification program before two days by using Registration form.

REPORT

Name of the Programme : Seminar on Indian scenario of IPR

Date : 25-01-2023

Details of Resource Person : Dr. V. Krishna Reddy, Professor & Principal, KCIT, Markapur

Objective of the Programme:

- To create awareness about the history of IPR in India and benefits of Intellectual property among all sections of society.
- To educate on the overview of IP laws in India and to stimulate the creation and growth of intellectual property by undertaking relevant measures.
- To understand the procedure for submitting patent and Enforcement of IPR at national level etc.

Programme Outcome:

The Department of Mechanical Engineering of Dr. SGIT conducted a **Seminar on Indian Scenario of IPR** on 25-01-2023 at 10.30 AM in seminar hall. The lecture was taken up by Dr. V. Krishna Reddy, from SGIT. The speaker started his speech by explaining about basic concepts of Intellectual Property Rights such as history and background of Intellectual Property and the economic methods and tools for analysis and protection of the same. Students got awareness on IP laws in India which includes copyrights, patents, trademarks, and trade secrets. He also discussed the fundamentals of patent protection in India, procedure of filing a patent. The seminar also focused on creating awareness on development of creation, protection & enforcement of the IP Rights. The resource person stressed on the importance of converting students' ideas into innovations for economic growth and the role of IP Law in providing the same. Eventually, the speaker went through the questions of participants and clarified all the doubts. The program ended with vote of thanks.

ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

ABOUT THE DEPARTMENT:

The Department currently runs UG & PG programs Electronics & Communications Engineering and Digital Electronics and Communications Engineering. The UG-ECE intake is 120 and PG-DECE intake is 36. The Department of ECE established state-of-the-art labs viz., Electronic Devices and Circuits, Pulse and Digital Circuits, Analog and Digital Communications, Microprocessors and Controllers, Microwave Engineering, VLSI and Digital Signal Processing etc. to suit the needs of the Students and the Faculty. The Labs are provided with Licensed Software's like MATLAB, CCStudio, Multisim, XILLINX, Mentor Graphics, etc.. A large number of activities are conducted regularly under these student forums. Guest lectures, Workshops, Hands on Sessions on latest tools are regularly held to help students to acquire new knowledge, deeper and clear understanding of major concepts and build the ability to apply in the relevant fields.

ABOUT THE SEMINAR:

Research is about more than just the scientific principles and discoveries you are making—it is about sharing these discoveries with fellow researchers and with the public. And to do this, researchers must publish their work in journals. Strong writing is key to making your research more accessible and powerful, and therefore this presentation is not about the rigors of research, but the demands of research writing. The methods and information in this lecture can be applied to almost any kind of research paper, although of course the exact structure and content will be somewhat determined by where you are submitting your research.

The main purpose of this seminar was to create the skills of thesis and research paper writing for engineering students.

TOPICS TO BE COVERED:

- Overview of Research Paper Writing
- The Structure of a Research Paper
- Composing Your Paper Sections
- Tips for Improving Quality of Writing

REPORT

Name of the Programme : A Seminar on Art of Writing Research Paper

Date : 21.02.2023

Details of Resources Person : Dr. P. Bala Murali Krishna, Professor, SMCE, Guntur.

Objective of the Programme:

- To impart the participants with knowledge of research methods, research process, use of research tools and techniques, writing and presentation skills.
- To unpack what constitutes a great research paper and outline the pleasures and pitfalls of writing it.

Programme outcome:

A Seminar on Art of Writing Research Paper was conducted on 21.02.2023 by Department of Electronics & Communication Engineering, Dr. Samuel George Institute of Engineering and Technology at seminar hall from 10.00 AM onwards. The resource person **Dr. P.Bala Murali Krishna** from SMCE was delivered a detailed lecture on the mentioned topic. The resource person narrated the importance of writing and publishing the research papers, selection process of a good scholarly journal as per UGC regulations, the format and requirements of a good research paper and the ethics to be followed by the writers while publishing the paper. The session was followed by an interaction with the participants.

CIRCULAR

All the B. Tech final year students of CSE department are here by informed to attend
A Seminar on Micro Small and Medium Enterprise Development by Dr. Y.D Rami Reddy
Professor in Computer Science & Engineering in BVSRC, Chimakurthy on 15.03.2023 at
10.00 AM in seminar hall. Hence, all the students must make note of it and attend to the seminar
without fail.

COMPUTER SCIENCE & ENGINEERING

**DR. SAMUEL GEORGE INSTITUTE OF
ENGINEERING & TECHNOLOGY**

(Approved by AICTE, affiliated to JNTU Kakinada)
(An ISO 9001: 2000 Certified Institution)

SGIT B.O- 523320, George Town

Darimadugu (V), MARKAPUR

Prakasam (Dist). Phone: 08596 - 200064

ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

ABOUT THE DEPARTMENT:

Computer science and engineering department started in 1997. The CSE department is one of the pioneer department of Dr.SGIT, with present intake of B.Tech – 120 and M.Tech – 36. Computer science and engineering degree is exciting enough as it will open the doors to very cool jobs. It is truly amazing to catch the trend with SGIT. Because SGIT takes care to maximize the learning opportunities by keeping up-to-date. Department has well qualified, dedicated and motivated faculty and well equipped laboratories. The CSE department with its commitment excellence educates the engineers of tomorrow by integrating classroom theory and practical knowledge. The department frequently organizes workshops, guest lectures, quizzes and group discussions to enhance the skill students and teaching community. The vision is to produce computer science & engineering graduates, who are original in thinking and innovative in approach and become useful citizens of the society.

ABOUT THE SEMINAR:

The Micro, Small and Medium Enterprises (MSME) sector has emerged as a vibrant and dynamic sector of the Indian economy. These enterprises play crucial role in providing large employment opportunities at comparatively lower cost than large industries. Thus helping in reduction of levels of poverty through job creation and economic growth, they are key drivers of employment, decent jobs and entrepreneurship for women, youth and groups in vulnerable situations. The Government of India also introduced many schemes for the development of MSM Enterprises. They are also supporting the product creation, concept creativity, engagement, and packaging, in line with recent trends.

The main aim of this seminar to make the students understanding the importance and role of micro small medium enterprises and how economic upgradation and employment generation in India can be achieved through Industrial development

TOPICS TO BE COVERED:

- Industries comes under MSME's
- Characteristics, objectives and role of MSME
- Types of MSM enterprises
- Importance of MSMEs to Indian Economy
- Micro Small and Medium Enterprise Development Act
- Threats and challenges of MSME
- Major Schemes in Micro, Small & Medium Enterprises Sector
- Suggestions for the development of MSME

RESOURCE PERSONS:

Dr. Y.D. Rami Reddy
Professor & Head of the Department
BVSR, Chimakurthy.

REGISTRATION DETAILS:

- There is **no Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the respective HODS
- All the staff & IV B Tech students are requested to register the Certification program before two days by using Registration form.

REPORT

Name of the Programme : A Seminar on Micro Small and Medium Enterprise Development

Date : 15.03.2023

Details of Resources Person: Dr. Y.D Rami Reddy, Professor, BVSRC, Chimakurthy.

Objectives of the Programme:

- To encourage the students towards entrepreneurship
- To give overview on requirements to start enterprise
- To provide knowledge on schemes available in MSME department for the new entrepreneurs

Programme outcomes:

A Seminar on Micro Small and Medium Enterprise Development was conducted by department of CSE, Dr.SGIT on 15.03.2023 in George millennium auditorium from 10.00 AM onwards. The resource person **Dr. Y.D Rami Reddy** from **BVSRC** was delivered a detailed lecture on the mentioned topic. The lecture starts with encouraging the students to become entrepreneurs and its advantages. He mainly focused on the available support to the upcoming entrepreneurs through MSME department. In his lecture he explained about the schemes in ministry of MSME, how an individual get benefited by the schemes. There was good interaction takes place between the resource person and the participants. Finally the session was completed with a good feedback from the students.

CIRCULAR

All the staff & B. Tech final year students of Mechanical engineering department are here by informed to attend **A Seminar on Modern Approaches in Research** by **Dr.K. Thirupathi Reddy** Professor in Mechanical Engineering in Rajeev Gandhi Memorial College of Engineering & Technology, Nandyal on 01.04.2023 at 10.00 AM in seminar hall. Hence, all the students must make note of it and attend to the seminar without fail.

Declaration by the Candidate

I hereby declare that the given information is true to the best of my knowledge. I agree to abide the rules and regulations governing the programme. I shall attend the programme for the entire duration.

Place: _____

Date: _____ signature of the candidate

**A SEMINAR
ON**

**MODERN APPROACHES
IN
RESEARCH**

1st APRIL 2023

Organized by

**DEPARTMENT
OF**

MECHANICAL ENGINEERING

**DR. SAMUEL GEORGE INSTITUTE OF
ENGINEERING & TECHNOLOGY**

(Approved by AICTE, affiliated to JNTU Kakinada)
(An ISO 9001: 2000 Certified Institution)

SGIT B.O- 523320, George Town

Darimadugu (V), MARKAPUR

Prakasam (Dist). Phone: 08596 - 200064

ABOUT THE COLLEGE:

Dr. Samuel George Institute of Engineering & Technology, An ISO 9001:2000 certified Institution was established in 1997 at Markapur to sharpen, shape and meet the global trends by imparting the values, ethics and true culture in technical education. It is the first Engineering College in Prakasam District under the aegis of NCCSA-George Memorable Charitable Trust (GMCT) funded by GMCT. The college is approved by AICTE, New Delhi and affiliated to JNTU, Kakinada. The college was started with a Vision & Motto of **Discipline, Hard Work, and Value of Time** and imparts quality technical education to the rural areas to produce quality engineers with outstanding technical skills.

The college campus is sprawling in 54 Acres of land with a serene surrounding at Markapur Town. The Institute has JKC star status and Infosys campus connect programs. The Institute also has 8 MBps internet (BSNL) leased line. The Institute has well qualified and dedicated faculty to give quality education. The Institute also has all the infrastructural facilities and laboratories with state of art equipment. It has monumental blocks- Sir. C.V Raman, Sir. Visweswarayya, Dr. APJ Abdul kalam and Radha Krishnan.

The Institute is offering courses leading to UG & PG in

- Computer Science & Engineering-120
- Electronics & Communication Engg-120
- Electrical & Electronics Engineering – 60
- Civil Engineering – 60
- M.Tech ECE (DECS)-36
- M.Tech CSE-36
- M.Tech (Thermal Engineering)-24
- M.Tech (Power Electronics)-24

DIPLOMA COURSES

DEEE-60, DECE-60, DME-60, DCE-60

ABOUT THE DEPARTMENT:

The department of mechanical engineering was established in the year 1997. The mechanical engineering department is one of the pioneer departments of Dr. SGIT. As on today 18 batches passed out with excellent academic performance. The department has excellent lab facilities with state of the art equipment and it has highly qualified, experienced and committed faculty members. The department takes active role in arranging expert lectures as well as industrial visits for benefit of the students. The department gives importance not only to academic education but also ethical values and personality development of students. National level student symposium is conducted in every year. Students are encouraged to take up industrial projects. More over the students will also be motivated to present papers in student seminars. Paper contests etc. The department is also actively involved in placement of the students through ON/OFF campus interviews. The department strives hard to impart quality education and to keep the students on the competitive edge of the present day technology.

ABOUT THE SEMINAR:

Scientific research involves not only an individual activity, based on the information and data collection or the formulation of some innovative theses. Researchers use different methods to achieve results while testing theories and analyzing data. A large proportion of contemporary research on organizations, strategy and management relies on quantitative research and qualitative research methods like focus groups, interviews and surveys for data interpretation to cultivate a better understanding of information. Selecting the best research method to use can help a research professional achieve useful results in their investigations.

This seminar is conducted to provide awareness on what is research methods, types of research methods, an introduction to research approaches, best practices for using research methods.

TOPICS TO BE COVERED:

- About Research methodology
- Procedure for selecting a Research Method
- How do you write a research methodology
- Research Approaches - Quantitative research, Qualitative research, Mixed methods research
- Research Techniques for Data Collection
- Examples of research - surveys, observations, generating research questions, interviews, and focus groups
- Modern approaches in research

RESOURCE PERSONS:

Dr. K. TIRUPATHI REDDY M.Tech, Ph.D

Professor & Head of the Department

RGM CET, Nandyal.

REGISTRATION DETAILS:

- There is **no Registration fee** for the Program.
- Registration for the Program can be done using the registration form available at the respective HODS
- All the staff & IV B Tech students are requested to register the Certification program before two days by using Registration form.

REPORT

Name of the Programme : A Seminar on Modern Approaches in Research

Date : 01.04.2023

Details of Resource Person : Dr.K. Tirupathi Reddy, Professor, RGM CET, Nandyal

Objectives of the programme:

- To improve the research skills and competence among the students and researchers
- To improve researchers technical writing skill
- to introduce the modern ways of conducting literature research
- To give overview about the use of discovery tools and databases and use of reference management

Programme outcomes:

A Seminar on Modern Approaches in Research was conducted on 01.04.2023 by Department of Mechanical Engineering, Dr. Samuel George Institute of Engineering and Technology in seminar hall from 10.30 AM onwards. The resource person **Dr.K. Tirupathi Reddy** delivered a detailed lecture on the mentioned topic. His talk was started with giving practical guidelines and directs the researchers through all the stages of research from identifying a research problem to the submission of a dissertation, report writing and research article. Later he explained about quantitative and qualitative research methods used in science researches and modern ways of conducting literature research. The faculty from other departments was participated in the seminar. The resource person clarified all the doubts of the participants and the session was completed with good feedback from the participants.
