**CIN NO: U72300TN1994PTC026590**

**Registration no: 26590.**

## A. Dr. Samuel George Institute of Engineering & Technology (SGIT)

Dr. Samuel George is a name fondly synonymous with education in all its myriad forms and academic aspects. Right since its inception in 1997, the Institution has majestically scaled the ladder of success with profundity that aptly reflects its commitment to accord educational facilities to all sections of society and provides Engineering streams and other education tracks. Duly realizing the absolute necessity of providing class education to the kith and kin of farmers, laborers and villagers, Dr. Samuel George took it upon itself the need-based endeavor of making education accessible to the poor and the deserving. Backed by the illustrious visionary, Hon. Shri Dr. Audimluapu Suresh gaaru and indomitable leader, as well as Technical Education through the Institutions, which are captained by illustrious personalities in their respective fields.

**Hereafter referred to as the “FIRST PARTY”.**

## And

Cognizant Technology Solutions India Private limited, Bengaluru imparts hands-on training on Python, Java, SAP etc. Under Foundation Programme to Students. IT has developed new advance training programmes year after year by establishing new faculties which all meet the highest quality standards. **Hereafter referred as the “SECOND PARTY”, in the MoU.**

In the interest of establishing a relationship of mutual benefit to both organizations, **Dr. SGIET, MARKAPUR and Cognizant Technology Solutions India Private limited, Bengaluru** have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

### 1. Objectives:

- 1.1. To contribute further to the regional understanding between faculty and students of **Dr. SGIT and Cognizant Technology Solutions India Private limited, Bengaluru** for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between **Cognizant Technology Solutions India Private limited, Bengaluru** and **Dr. SGIT** through academic programs in instruction, research and faculty development among the faculty and students of both parties.

### 2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

6. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme / course of study at each organization; and
7. Promoting such other activities/programs as mutually agreed from time to time

## **2.1 Developing research projects jointly and avail funding**

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

## **2.2 Exchange of academic information, materials and facilities**

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

## **2.3 Students Exchange**

### **2.3.1 Student Exchange Programs**

Both the parties agree to develop programs whereby the students of either organization can have the opportunity to study at the other organization with mutual recognition of the credit hours arising there from. It is desired by both organizations that there will be significant flow of students in exchange as reciprocal. Both parties agree to facilitate internship facilities for exchange students as mutually agreed. Pursuant to the specific agreement for academic exchange, **Cognizant Technology Solutions India Private limited, Bengaluru** and **Dr. SGIT** will exchange students according to the terms and conditions laid out by separate written agreement by both organizations.

### **2.3.2 Short Courses/ Summer School**

These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

## **2.4 Faculty and Staff Exchange**

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. **Cognizant Technology Solutions India Private limited, Bengaluru** and **Dr. SGIT, Markapur** will exchange faculty according to the terms and conditions as mutually agreed upon.

## **2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.**

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

## **3. Advertising & Publicity**

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

#### 4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of the one-year period or in between the period of one year, it must notify the other organization not less than six months prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

#### 5. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India.

This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.
