The Training and placement call of Dr. Samuel George Institute of engineering and technology conducted a special session on ‘**language and communication skills program**’ in seminar hall from 12-09-2022 to 17-09-2022. This program was initiated by our principal Dr. ESWARA RAO with a motivational speech

On that session students learn how to develop their communication skills in English. Especially at a time when the b- tech field exploration on one side and the search for communication exploration on the other have been taking the contemporary world by leaps and bounds. The focus is listening reading pronunciation writing speaking and Presentation.

- To equip the learners with effective speaking in the listening skills in English
- To make them realize the communication potential of English language
- To facilitate them to acquire a fairly acceptable skill in pronunciation
- To train them to use language effectively to face interviews to face group discussions and public speaking

To promote ethical values and inculcate the organizational behavior

The Training and placement call of Dr. Samuel George Institute of engineering and technology conducted a special session on “**Language and Communication Skill Program**” in seminar hall from 16-08-2021 to 21-08-2021. This program was initiated by our principal Dr. ESWARA RAO with a motivational speech

On that session students learn how to develop their communication skills in English. Especially at a time when the b- tech field exploration on one side and the search for communication exploration on the other have been taking the contemporary world by leaps and bounds. The focus is listening reading pronunciation writing speaking and Presentation.

- To equip the learners with effective speaking in the listening skills in English
- To make them realize the communication potential of English language
- To facilitate them to acquire a fairly acceptable skill in pronunciation
- To train them to use language effectively to face interviews to face group discussions and public speaking

To promote ethical values and inculcate the organizational behavior

Name of the program: - A Nine days workshop on “**Language and Communication Skills Program**” conducted for B-tech students

Date: - 14-09-2020 to 22-09-2020

Resource person and details:-

Name: - Dr. P. Ganapathi Raju

Contact no: - 9966966947

Mail id:-nvgrajucse@gmail.com

The Training and placement call of Dr. Samuel George Institute of engineering and technology conducted a special session on “**Language and Communication Skills Program**” in seminar hall from 14-09-2020 to 22-09-2020. This program was initiated by our principal Dr. K.V.S. NARAYANA with a motivational speech

On that session students learn how to develop their communication skills in English. Especially at a time when the b- tech field exploration on one side and the search for communication exploration on the other have been taking the contemporary world by leaps and bounds. The focus is listening reading pronunciation writing speaking and presentation.

- To equip the learners with effective speaking in the listening skills in English
- To make them realize the communication potential of English language
- To facilitate them to acquire a fairly acceptable skill in pronunciation
- To train them to use language effectively to face interviews to face group discussions and public speaking

To promote ethical values and inculcate the organizational behavior

Name of the program: - A Seven days workshop on “**Language and Communication Skills Program**” conducted for B-tech students

Date: - 22-11-2019 to 28-11-2019.

Resource person and details:-

Name: - K.Ch. Malla Reddy

Contact no: - 7989939276

Mail id:-mallareddy478@gmail.com

The Training and placement call of Dr. Samuel George Institute of engineering and technology conducted a special session on “**language and communication skills program**” in seminar hall from 22-11-2019 to 28-11-2019. This program was initiated by our principal Dr. K.V.S. NARAYANA with a motivational speech.

On that session students learn how to develop their communication skills in English. Especially at a time when the b- tech field exploration on one side and the search for communication exploration on the other have been taking the contemporary world by leaps and bounds. The focus is listening reading pronunciation writing speaking and presentation.

- To equip the learners with effective speaking in the listening skills in English
- To make them realize the communication potential of English language
- To facilitate them to acquire a fairly acceptable skill in pronunciation
- To train them to use language effectively to face interviews to face group discussions and public speaking

To promote ethical values and inculcate the organizational behavior

Name of the program: - A Nine days workshop on “**Language and Communication Skills Program**” conducted for B-tech students

Date: - 13-08-2018 to 21-08-2018.

Resource person and details:-

Name:- Dr. B. Poornaiah
Contact no:- 9441042920
Mail id:- bpoornaiah@gmail.com

The Training and placement call of Dr. Samuel George Institute of engineering and technology conducted a special session on “**Language and Communication skills Program**” in seminar hall from 13-08-2018 to 21-08-2018. This program was initiated by our principal Dr. ESWARA RAO with a motivational speech

On that session students learn how to develop their communication skills in English. Especially at a time when the b- tech field exploration on one side and the search for communication exploration on the other have been taking the contemporary world by leaps and bounds. The focus is listening reading pronunciation writing speaking and presentation.

- To equip the learners with effective speaking in the listening skills in English
- To make them realize the communication potential of English language
- To facilitate them to acquire a fairly acceptable skill in pronunciation
- To train them to use language effectively to face interviews to face group discussions and public speaking

To promote ethical values and inculcate the organizational behavior
